# Welcome and Introduction

- Rosemary & Steve
- Possumwood (Vet Board licenced wildlife hospital and recovery centre)
- 22 years experience with a practical focus on injury & illness.
- Data & research
- An advanced course with assumed knowledge...certificates of completion
- A focus on Macropod stress – a theoretical framework and real cases
- Warning- some pictures are confronting...but that's the game we are in
- Relax and enjoy the course....just like Mars.

Mars relaxing in style!

# Our Values
